

CHARLOTTE GALLOWAY

Cybersecurity | Computer Science Student | Networking | Software Development

Mandeville, LA | gallowaycharlotte011@gmail.com | +1 985 302 4511 | linkedin.com/in/charlotte-galloway-tech |
Portfolio: charlottegalloway.dev

EDUCATION

Louisiana Tech University — Ruston, LA

Bachelor of Science in Computer Science, Concentration in Cybersecurity |

GPA: 3.8/4.0

Expected Graduation: Winter 2029

PROJECT EXPERIENCE

Windows Purple Team Attack and Detection Lab

Windows, Linux, Networking, Security Events, RDP, VirtualBox

September 2026

- Simulated attack, detection, privilege escalation, and remediation in an isolated Windows environment.
- Analyzed and investigated Security events and network activity to identify attack indicators.

SysRecon – Python Security Reconnaissance CLI

Python, Socket Programming, Argparse, Linux, VirtualBox

August 2026

- Built Python TCP port scanner for network reconnaissance and service enumeration.
- Validated results against Nmap in an isolated Linux/VirtualBox lab.

Cybersecurity Home Lab Assessment

Linux, Networking, Nmap, VirtualBox

July 2026

- Performed network reconnaissance and vulnerability assessment with Nmap.
- Remediated and verified a controlled information-disclosure vulnerability.

SKILLS

- **Languages:** Python, HTML, CSS, JavaScript
- **Cybersecurity/Tools:** Linux, Networking, Git, Wireshark, GitHub, Nmap, TCP/IP, Event analysis
- **Soft Skills:** Time Management, Teamwork, Problem Solving, Adaptability

CERTIFICATIONS

- Fundamentals of JavaScript, HTML, and CSS - Level 1 IBC | Operation Spark | 2025
- Security + | In progress
